

pure hydration

The world's most advanced water purifier could soon be yours

What is it?

The Aquapure Traveller is a personal water purifier capable of quickly turning potentially contaminated water sources into clear, clean & safe drinking water.

From unregulated tap water in India to a mountain stream in the Himalayas, the Aquapure Traveller is all you'll need to get your drinking water.

Made from the highest quality materials and built to the strictest quality control procedures, the Aquapure Traveller is designed to provide you with purified water again and again wherever you are.

THE ULTIMATE WATER PURIFIER

What does it do?

- Capable of purifying 350 Litres
- Kills viruses & bacteria

Removes:

- Pathogens (including Cryptosporidium & Giardia)
- Bad tastes & odours
- Chemicals (including VOCs, SOCs)
- Heavy metals
- Faecal matter

Why the Aquapure Traveller?

The Aquapure Traveller is the **only** filter bottle fully endorsed by the Hospital of Tropical Diseases London.

We are an official partner of the Foreign & Commonwealth Office's 'Know before you go' campaign and our technology is approved for use by the UK MOD.
