Complete your Aquapure Traveller with these essential accessories

Take it everywhere:

Take your Aquapure Traveller absolutely anywhere with the Aquapure Pouch.

Made from high quality 3mm insulated Neoprene the pouch fits snugly around the Aquapure Traveller Bottle keeping it safe, cool and protected.

With an enormous variety of clips and straps connected to the pouch, you can affix it to pretty much anything and anywhere. Clip it to your backpack or webbing, wear it on your belt or hang it from your shoulder

Never be without your precious supply of clean water again.

RRP = £5.99 inc VAT

Don't get caught out without your water – take a spare filter with you

Keep on going:

Get a Filter Cap replacement for your Aquapure Traveller and you are good to go for another 350 litres of safe, clean drinking water.

The Filter Cap Replacement is a great way to ensure that you will have access to plenty of clean water whilst travelling abroad.

It comes protected in a hard plastic cup to keep it safe until needed.
