

# pure hydration

## The world's most advanced water purifier could soon be in your hands

### What is it?

The Survivor4i (S4i) is a personal water purifier capable of quickly turning 350 litres of potentially contaminated water into clear, clean & safe drinking water.

From a well in Iraq to a river in the Amazon, the S4i is all you'll need to provide yourself with safe water for days on end.

Made from the highest quality materials and built to the strictest quality control procedures, the S4i is designed to provide you with purified water again and again wherever you are.

### THE ULTIMATE WATER PURIFIER

### What does it do?

- Capable of purifying 350 Litres
- Kills viruses & bacteria

### Removes:

- Pathogens (including Cryptosporidium & Giardia)
- Bad tastes & odours
- Chemicals (including VOCs, SOCs)
- Heavy metals
- Faecal matter

### Why the Survivor 4i?

The Survivor4i is the **only** filter bottle fully endorsed by the Hospital of Tropical Diseases London.

We are an official partner of the Foreign & Commonwealth Office's 'Know before you go' campaign and our technology is approved for use by the UK MOD.
