The world's most advanced water purifier could soon be in your hands

What is it?

The Survivor4i (S4i) is a personal water purifier capable of quickly turning 350 litres of potentially contaminated water into clear, clean & safe drinking water.

From a well in Iraq to a river in the Amazon, the S4i is all you'll need to provide yourself with safe water for days on end.

Made from the highest quality materials and built to the strictest quality control procedures, the S4i is designed to provide you with purified water again and again wherever you are.

THE ULTIMATE WATER PURIFIER

What does it do?

- Capable of purifying 350 Litres
- Kills viruses & bacteria

Removes:

- Pathogens (including Cryptosporidium & Giardia)
- Bad tastes & odours
- Chemicals (including VOCs, SOCs)
- Heavy metals
