

pure hydration

Survivor Bag now available

What is it?

The Survivor Bag is a personal water purifier capable of quickly turning 350 Litres of potentially contaminated water into clear, clean & safe drinking water.

Originally a military product the Survivor Bag is now available to all of our customers direct from us.

Made from our extremely durable Armour Weave material and built to the strictest quality control procedures, the Survivor Bag is designed to provide you with purified water again and again whatever the conditions.

Dirty water in, Clean water out
It's that simple to use

What does it do?

Kills:

- Viruses
- Bacteria

Removes:

- Pathogens (including Cryptosporidium & Giardia)
- Bad tastes & odours
- Chemicals (including VOCs, SOCs)
- Heavy Metals

Why the Survivor?

The Survivor Bag uses our world renowned Aquapure Traveller Filter - the **only** filter fully endorsed by the Hospital of Tropical Diseases London.

We are an official partner of the Foreign & Commonwealth Office's 'Know before you go' campaign and our technology is approved for use by the UK MOD.

approved ABS
plastic

Personal and group sizes

The Survivor Bag is available in 1.5L sizes for personal use and a 5L size for small groups to share.

Compact

The Survivor bag folds up small so it is ideal for storing at the bottom of your rucksack until you need it.

Strong

Our unique Armour Weave Material means that the bag will resist tearing and puncturing, so it'll always be ready for use.
